VIDEOS

ABC LINK—Abortion Breast Cancer Link: What every woman has the right to know

In this video, you will hear the stories of 3 young women and the convincing scientific evidence presented by two acknowledged world experts on the Abortion Breast Cancer Link: Dr. Joel Brind, PhD, Professor of Human Biology and Endocrinology, and Dr. Angela Lanfranchi, MD FACS, Clinical Assistant Professor of Surgery at Robert Wood Johnson Medical School.

The information on this video will empower women to make informed choices for themselves and their children. Women who are at increased risk for breast cancer after an abortion will learn about life saving screening mammograms which can increase survival if breast cancer should develop.
